MONTHLY OPERATING REPORT

Notes to the Monthly Operating Report

This report includes activity from the following Debtors and their related Case Numbers:

Debtor	Case Number
Voyager Digital Holdings, Inc.	22-10943

Notes to the MOR:

On July 5th, 2022 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On July 6, 2022, the court entered an order [Docket No. 18] authorizing joint administration and procedural consolidation of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b). On July 19, 2022, the United States Trustee for the Southern District of New York (the "U.S. Trustee") appointed an Official Committee of Unsecured Creditors (the "Creditors Committee") [Docket No. 102]. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases.

The Debtors are filing their Monthly Operating Report solely for the purposes of complying with the monthly operating reporting requirements applicable in the Debtors' chapter 11 cases. The financial and supplemental information contained herein is presented on a preliminary and unaudited basis, remains subject to future adjustments and may not comply in all material respects with generally accepted accounting principles in the United States of America ("U.S. GAAP") or International Financial Reporting Standards ("IFRS"). This Monthly Operating Report should not be relied on by any persons for information relating to future financial conditions, events, or performance of any of the Debtors or their affiliates.

The financial information has been derived from the books and records of the Debtors. This information, however, has not been subject to certain procedures that would typically be applied to financial information in accordance with U.S. GAAP or IFRS, and upon application of such procedures, the Debtors believe that the financial information could be subject to changes, which could be material. The information furnished in this report includes primarily normal recurring adjustments, but does not include all adjustments that would typically be made for financial statements prepared in accordance with U.S. GAAP or IFRS. The preparation of the Financial Statements and MOR required the Debtors to make commercially reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities at month end, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ from such estimates.

The Debtors reserve all rights to amend or supplement this Monthly Operating Report in all respects, as may be necessary or appropriate. Nothing contained in this Monthly Operating Report shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases.

Debtor Full-Time Employees:

This MOR includes the number of full time employees as of the Petition Date and December 31st, 2022. These figures will differ from employee totals in the Supplemental Declaration of Stephen Ehrlich [Docket No. 329] due to the exclusion of 32 part time employees from this MOR. Further, headcount noted within this MOR exclude contractors based in LATAM.

Notes to MOR Part 1:

For the avoidance of doubt, the bank accounts, cash balances and associated cash receipts and disbursements set forth do not include cash held in the "for the benefit of" accounts ("FBO Accounts") maintained by Metropolitan Commercial Bank ("MC Bank"), as described in the Cash Management Motion and the FBO Motion. As discussed in the FBO Motion, the Debtors do not have a legal or equitable interest in the cash held in the FBO Accounts; such held funds are owned by the Debtors' customers.

MONTHLY OPERATING REPORT

Notes to the Monthly Operating Report

This report includes activity from the following Debtors and their related Case Numbers:

Debtor	Case Number
Voyager Digital Holdings, Inc.	22-10943

Notes to the MOR:

Notes to MOR Part 1 (Continued):

The Debtors are party to certain prepetition loan agreements regarding certain compensation-related tax issues. The terms of those agreements provide for the cancellation of the loans over time if certain conditions are satisfied. The agreements further provide that if the cancellation occurs under certain circumstances, the Debtors will make tax payments for the benefit of the loan agreement counterparties. Due to a year-end miscommunication, the Debtors treated a portion of the loans as having been cancelled and made associated tax payments. Such tax payments were potentially premature. The agreements will be addressed as part of the wind-down budget and transition plans described in the disclosure statement and will be part of confirmation. The Debtors' rights are reserved in the event that the plan is not ultimately approved.

Notes to MOR Part 2 & MOR Part 4:

The information contained in MOR Part 2 & MOR Part 4 is provided to fulfill the requirements of the Office of the United States Trustee. All information contained in MOR Part 2 & MOR Part 4 is unaudited and subject to future adjustment.

As discussed in Notes to MOR Part 1, cash balances do not include cash held in the FBO Accounts. The Debtors made certain adjustments to reflect the impact of removing FBO Accounts from cash balances.

Notes to MOR Part 5:

The Debtors have received approval to pay bankruptcy or non-bankruptcy professionals in the month of December. As such, applicable invoices from bankruptcy professionals were paid when due.

Notes to MOR Part 6:

The Debtors have received approval to pay prepetition tax and fee obligations, including, without limitation, sales, use, franchise, and income taxes as well as other governmental taxes, fees, and assessment due in the normal course of business through certain First Day Motions. As such, the applicable taxes had been paid when due except for amounts that are in dispute, if any.

The Debtors are current on post-petition payables, taking into consideration pending credits and adjustments and disputes that arise in the ordinary course of business.
